**PATRICIA QUICK JOINS
GABRIELLE'S ANGEL FOUNDATION FOR CANCER RESEARCH
BOARD OF DIRECTORS**

New York, NY (February 23, 2010) – **Denise Rich** announced today that philanthropist **Patricia Quick** has been named to the Board of Directors for **Gabrielle's Angel Foundation for Cancer Research**. Ms. Quick joins Board Members Deborah Dunsire, M.D., Star Jones, Clifford Perlman, Esq., Frank Rella, Michèle Rella, Lorraine Schwartz, Daniella Rich Kilstock, Ilona Rich Schachter, Donald M. Toresco and Erin Zammett Ruddy.

Ms. Quick, a breast cancer survivor and the youngest of the late Leslie Quick's children, is a prominent fundraiser and philanthropist, as well as an active member of numerous Boards and organizations. She has served on the Board of Trustees of The Inner-City Scholarship Fund (ICSF) in New York City since June of 2001 and personally sponsors three inner-city students each year.

Ms. Quick serves on the Board of the Breast Cancer Research Foundation (BCRF) and has been an active supporter of many other charities over the years including The American Red Cross, The Arthritis Foundation, The Greenwich Historical Society, The Norton Museum in Palm Beach, FL, The Susan G. Komen Breast Cancer Foundation, The Christopher Reeve Foundation, and amfAR/Cinema Against AIDS. A graduate of Pine Manor College, she maintains homes in both Palm Beach, FL and New York City, but resides primarily in Palm Beach with her 17-year-old son, P.J., who attends boarding school at Gould Academy in Bethel, ME.

Gabrielle's Angel Foundation for Cancer Research was created in 1996 by Denise Rich and her daughters in memory of their daughter and sister, Gabrielle Rich Aouad, who passed away at the age of 27 after a long and valiant struggle with acute myelogenous leukemia (AML). It was Gabrielle's wish that a foundation be created to help spare others the suffering that she endured. The mission of Gabrielle's Angel Foundation is to fund basic and clinical medical research in both conventional and integrative disciplines which focus on prevention, treatment and quality of life issues of leukemia, lymphoma and related cancers. To date, the Foundation has awarded over \$13 million in Medical Research Awards making Gabrielle's Angel Foundation one of the largest non-governmental sources of grant support to blood cancer researchers at the nation's leading institutions.
