

**THE YOUNG PROFESSIONALS COMMITTEE OF
GABRIELLE'S ANGEL FOUNDATION FOR CANCER
RESEARCH**

presents their

FALL GALA

THE CLASSIC CAR CLUB

MANHATTAN

NOVEMBER 5TH

OUR OBJECTIVE

Gabrielle's Angel Foundation

In the past two decades the Foundation has funded over \$37 million in research grants, and 92 cents of every dollar goes directly to our mission to #curecancernow

The Midsummer Angel Gala was born from the desire of young professionals to give back and make a difference in the fight against cancer.

The event committee features many young professionals with extensive social media reach and engagement which will be actively utilized for event and sponsor promotion.

Gabrielle's Angel Foundation for Cancer Research was created in memory of Gabrielle Rich Aouad who died of leukemia in 1996 at the age of 27. It was her wish and vision that a foundation be created to fund research so that others would not suffer as she did. Gabrielle's Angel Foundation funds the best and brightest young scientists who are searching for better treatments, preventions and cures for leukemia, lymphoma and other blood cancers. The Foundation also funds music therapy programs at select hospitals. Gabrielle believed that "music heals the soul" and the music therapy program was created to honor her love of music and helping others.

All proceeds from the Midsummer Angel Gala will support the Foundation's music therapy and research programs.

THE NIGHT

The inaugural event was held at the Fleur Room, New York, Summer 2019

On the 24th of June, young supporters of Gabrielle's Angel Foundation gathered to celebrate and raise crucial funds for cancer research and music therapy at the midsummer theme soirée.

At our sold out event, over 230 guests wearing yellow and white in keeping with the night's theme, enjoyed cocktails, canapé's, live performances, and opportunities to bid on rare collectibles, artwork and travel experiences inspired by art and music.

Supporters enjoyed a night of joyful revelry with performances by musicians including award winning singer Johnny Manuel; a finalist on America's Got Talent and singer of chart topping "Blind Faith."

Over 230 guests attended the gala which sold out 2 weeks in advance

Other entertainers supporting the night included: leading New York based DJ Celeste Greenberg, who has been at the nexus of fashion, music and night-life for over 15 years - the go-to DJ for fashion parties and cultural trendsetters, as well as DJ Coco Robert - named the “Hottest DJ at Fashion Week” by the New York Post. This year, Coco has performed on Juice Wrld’s The World Domination Tour, Wiz Khalifa and Rae Sremmurd’s Dazed and Blazed Tour, and Lil Pump’s Harverd Dropout Tour.

The event was held at The Fleur Room in NYC and the venue was transformed into a whimsical garden adorned with thousands of roses. Live drawing artist Caritas Young circulated the room throughout the night to capture the energy of the crowd and other activities such as floral crown making provided guests with a magical, immersive experience.

The event raised over \$110,000 for the Foundation’s mission to cure cancer!

The inaugural event was the first of what will be an annual fundraiser associated with the younger generation of the infamous Angel Gala, held annually at Cipriani in the fall.

Last night, New York's social elite donned their best white and yellow looks to celebrate midsummer at the Moxy Hotel's 'Fleur Room' in the Chelsea flower district. The sold out event hosted by the newly formed Young Professional Council, created to support **Denise Rich**'s Gabrielle's Angel Foundation for Cancer Research, exceeded all fundraising goals, with proceeds benefitting children with cancer. A host of famous faces enjoyed a spectacular performance by America's Got Talent finalist Johnny Manuel who serenaded the crowd with **Whitney Houston**'s "I Have Nothing," while New York DJs Coco Robert and Celeste Greenberg set the dance floor alight as guests reveled in an enchanted garden of flowers and live art performances, wearing floral crowns and sipping bespoke cocktails at the top of the new Moxy Hotel.

The Classic Car Club Manhattan

The Fall Gala 2021

This year's Gala will be held at The Classic Car Club Manhattan

Established in London in 1995, Classic Car Club is an exclusive private members' club for people who love the joy of driving classic cars but not the heartache of looking after them.

Corporate Support

WITHOUT OUR PARTNERS THIS PROGRAM WOULD NOT BE POSSIBLE

Gabrielle's Angel Foundation's Young Professionals Event is a volunteer led fundraiser that relies on corporate sponsorships, ticket and table sales and auction revenue to reach its goals.

We can create a bespoke sponsorship proposal to suit each of our partners' marketing and business objectives. We are actively looking for monetary sponsors, in-kind donors, donations of good or services and auction donors.

The Young Professionals Committee partnered with [Charitybuzz.com](https://www.charitybuzz.com) to create a curated online auction that in 2019 raised more than \$50,000! Charitybuzz has an affluent donor base all over the world which makes it a perfect platform to showcase your product. Auction items include artwork, luxury goods, travel experiences and celebrity and business meet-and-greets!

All donors and sponsors are featured on Gabrielle's Angel Foundation's website and in our newsletter which is sent to over 6,000 supporters. Donors will also receive dedicated social media posts.

Corporate support is vital to our success and we will work with you to showcase your company or brand to ensure maximum exposure.
