GABRIELLE'S ANGEL FOUNDATION FOR  
CANCER RESEARCH**

**presents:**

**Midsummer Angel Gala 2023**

**June 14, 2023  
The Ned  
New York City**

# OUR OBJECTIVE

Gabrielle's Angel Foundation

**“In the past two decades the Foundation has funded more than \$38.5 million in research grants and 89 cents of every dollar goes directly to our mission to #curecancernow”**

The Midsummer Angel Gala was born from the desire of young professionals to give back and make a difference in the fight against cancer. The event committee features many young professionals with extensive social media reach and engagement which will be actively utilized for event and sponsor promotion.

Gabrielle's Angel Foundation for Cancer Research was created in memory of Gabrielle Rich Aouad who died of leukemia in 1996 at the age of 27. It was her wish and vision that a foundation be created to fund research so that others would not suffer as she did. Gabrielle's Angel Foundation funds the best and brightest young scientists who are searching for better treatments, preventions and cures for leukemia, lymphoma and other blood cancers. The Foundation also funds music therapy programs at select hospitals. Gabrielle believed that “music heals the soul” and the music therapy program was created to honor her love of music and helping others.

All proceeds from the Midsummer Angel Gala will support the Foundation's music therapy and research programs. To date, the YPC has raised over \$500,000 for the mission!

Last night, New York's social elite donned their best white and yellow looks to celebrate midsummer at the Moxy Hotel's 'Fleur Room' in the Chelsea flower district. The sold out event hosted by the newly formed Young Professional Council, created to support **Denise Rich's** Gabrielle's Angel Foundation for Cancer Research, exceeded all fundraising goals, with proceeds benefitting children with cancer. A host of famous faces enjoyed a spectacular performance by America's Got Talent finalist Johnny Manuel who serenaded the crowd with **Whitney Houston's** "I Have Nothing," while New York DJs Coco Robert and Celeste Greenberg set the dance floor alight as guests reveled in an enchanted garden of flowers and live art performances, wearing floral crowns and sipping bespoke cocktails at the top of the new Moxy Hotel.
