COVID-19 has paused the world but cancer has not stopped. Gabrielle's Angel Foundation remains committed to our mission to fund the best and brightest early career scientists who are searching for better treatments, preventions and a cure for blood cancers! We are so grateful for your faith in our work and for continued support this year.

Cancer research saves lives and we couldn't do it without you!

OUR INSPIRATION

Gabrielle's wish was that a foundation be created to help spare others the suffering that she endured. Her vision continues to lead us and inspires our work.

She is a constant reminder to *Never Lose Hope...*

OUR MISSION

Gabrielle's Angel Foundation for Cancer Research funds the nation's best and brightest scientists whose research focuses on finding less toxic treatments for patients with leukemia, lymphoma, and related cancers. On average, ninety-two cents of every dollar directly funds research which to date represents more than \$37 million in global giving. For more than two decades, the Foundation has honored Gabrielle's memory by funding the boldest, most cutting-edge ideas in cancer research.
