PRESENTS

THE YOUNG ANGELS
Gala

JUNE 23RD, 2025

7:00-11:00PM

CRANE CLUB

85 10th Ave, New York, NY 10011

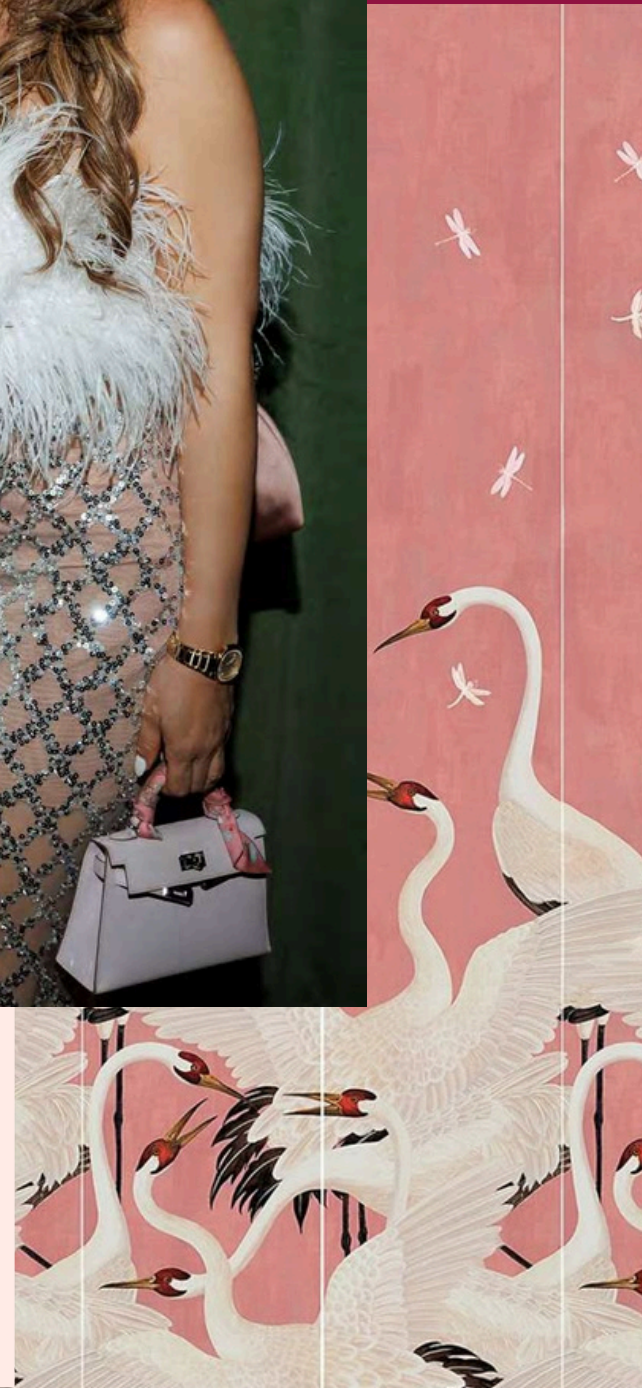

Our Objective

The **Young Professionals Committee** was born from the desire of young professionals to give back and make a difference in the fight against cancer. Committee members serve as ambassadors for Gabrielle's Angel Foundation through fundraising, promotion, networking, and general advocacy for our mission. The annual YPC Gala brings together supporters across many different industries for a night of music, cocktails, and dancing. All proceeds from the YPC Gala support the Foundation's music therapy and research programs. Gabrielle's Angel Foundation for Cancer Research was created in memory of Gabrielle Rich Aouad who died of leukemia in 1996 at the age of 27. It was her wish and vision that a foundation be created to fund research so that others would not suffer as she did. Gabrielle's Angel Foundation funds the best and brightest young scientists who are searching for better treatments, preventions and cures for leukemia, lymphoma and other blood cancers. The Foundation also funds music therapy programs at select hospitals. Gabrielle believed that "music heals the soul" and the music therapy program was created to honor her love of music and helping others.

“In the past nearly three decades the Foundation has funded more than \$43 million in research grants and 88 cents of every dollar goes directly to our mission to #curecancernow”

The Night

The inaugural YPC event was held at the Fleur Room, New York in the summer of 2019. Since our first gala, each event hosted by the YPC has sold out weeks in advance. The YPC Gala is quickly becoming one of the most anticipated charity events in NYC, raising crucial funds for cancer research and music therapy. Past events have honored longtime Foundation supporters Andrew Warren, Serena Kerrigan, Ubah Hassan, and Charlie Walk. Since 2019, our events have raised **nearly \$1M for our mission.**

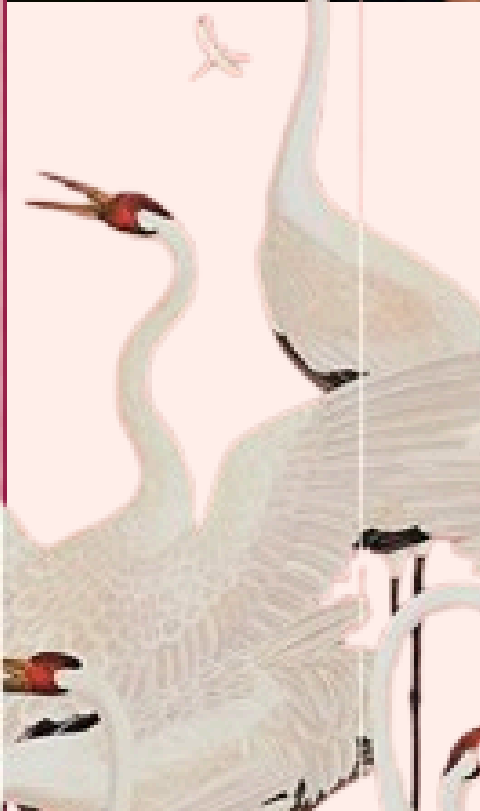

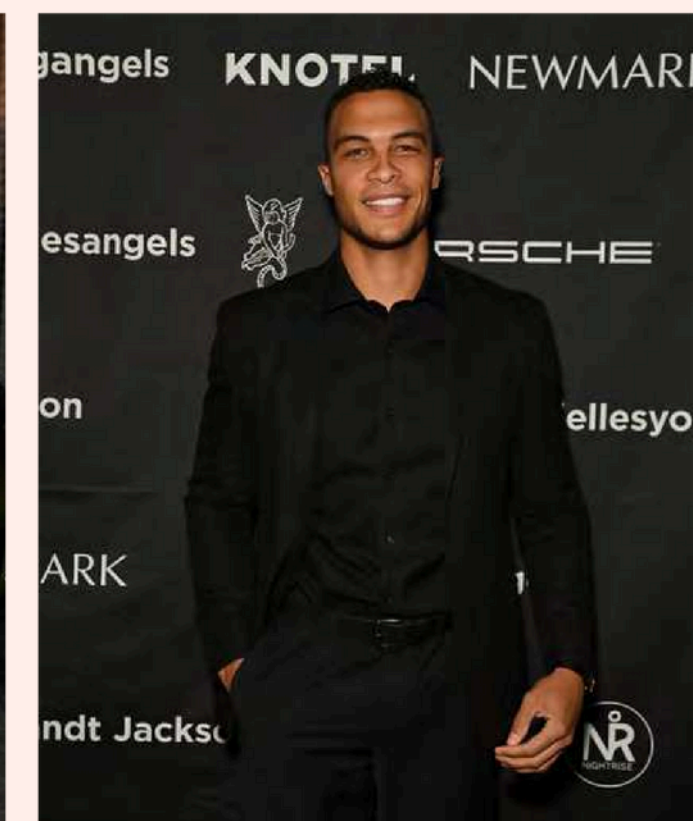

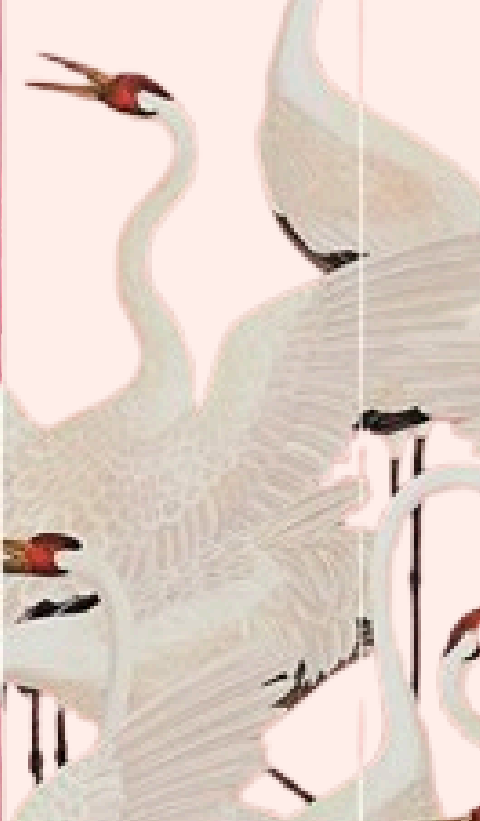

The Gala

In 2024, our event honored Aspen CEO of Aspen Artists Charlie Walk with Presenting Sponsors LVH and Advanced eClincial.

The talented artist Fer Da Silva created stunning gratitude hearts which were sold to benefit our mission and funds were generously matched by Dr. Radwa Saad & Dente Blanche Dental. DJ FADE, The Whooligan, and RISA kept everyone dancing and guests also got the added treat of watching artists Ross Pino & Jason Naylor collaborate on a live painting which was sold to support the event. Our fabulous spirits and wine sponsors who made the event so special were The Macallan, Lallier Champagne, Cardenxe, Amante 1530, Hamptons Coconuts, Tito's Handmade Vodka, Ritual Zero Proof, Tres Chicon, Tepozan tequila, Misguided Spirits and Whispering Angel. Special thanks also to Jora Restaurant and Bar, Little Spain, IKRAA Caviar, Raising Canes and Baked by Melissa for all of the delicious treats and to High Camp and Soyil Candles for making our room look and smell so fabulous!

Gabrielle's Angel Foundation Raises Over \$93,000

by BWW News Desk Jun. 25, 2019

Last night, New York's social elite donned their best white and yellow looks to celebrate midsummer at the Moxy Hotel's 'Fleur Room' in the Chelsea flower district. The sold out event hosted by the newly formed Young Professional Council, created to support **Denise Rich's** Gabrielle's Angel Foundation for Cancer Research, exceeded all fundraising goals, with proceeds benefitting children with cancer. A host of famous faces enjoyed a spectacular performance by America's Got Talent finalist Johnny Manuel who serenaded the crowd with **Whitney Houston's** "I Have Nothing," while New York DJs Coco Robert and Celeste Greenberg set the dance floor alight as guests reveled in an enchanted garden of flowers and live art performances, wearing floral crowns and sipping bespoke cocktails at the top of the new Moxy Hotel.
