Château Gaby Grand Vin De Bordeaux

Château Gaby is the jewel of the canon Fronsac Appellation nestled on the hilltop overlooking the vineyard

This vintage 2014 is made from a blend of three grape varieties - Merlot, Cabernet Franc and Cabernet Sauvignon - grown on the clay limestone hills of the estate. A fabulous terroir producing wine since 1669. This wine is lovely in color: an intense red with bright tints. Hints of pretty, red fruit are complemented by flavors of black fruit; Discretely woody undertones highlight the classy nature of this wine. Very ripe and elegant flavors with slightly toasted and spicy hints linger on the finish.

In the vineyard prized wine maker Damien Landouar is combining old traditional sustainable farming methods with a very avant garde touch using Genodics. Genodics uses various sound waves and frequencies to stimulate the vines natural resistance to pathogens such as bacteria, fungus, and viruses. This allows us to leave out the chemicals and pollutants.... **Pure as nature intended.**

Decanter

A blockbuster Fronsac, opaque red in colour, and with a very oaky nose that is sweet and intense...

Forbes

"This 80/10/10 blend of Merlot, Cabernet Franc and Cabernet Sauvignon includes a beautifully light, clear and precise range of aromas of florals and red and black fruit— including violets— as well as aromas of sandalwood, clover and morels. In the mouth, this is a juicy red with tastes of mandarins, plums as well as mint and tarragon. Pair with blackened fish or beef bourguignon. 94 points"

- Tom Mullen for Forbes Magazine
